Bonito 3 nights

Bonito is located on the board of Pantanal, at Bodoquena Mountain Range, south West of the Mato Grosso do Sul state. The Bodoquena Sierra is a region of exceptional beauty, especially known for its deep transparent waters and rich wildlife. In this program you will explore caves, hike and snorkell in the amazing blue waters of the rivers.

Duration time: 4 day(s), 3 night(s)

Departures on: Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday

Program:

1st day - CAMPO GRANDE - BONITO – Reception at Campo Grande airport and transfer to Bonito. This transfer takes 3h30. Arrival and check in at the chosen hotel. Free evening.

2nd day – BONITO - LAGO AZUL CAVE - ESTÂNCIA MIMOSA – Early visit to the Lago Azul (Blue Lake) cave. After going down 100 meters, there is a lake of solid blue water. Found by a Terenan Indian in 1924, the cave possess in its interior a blue lake with dimensions that make it one of Earths biggest flooded cave. In 1992 an Brazilian expedition of speleodivers found a series mammal fossils - as the Saber Tooth Tiger and the giant laziness - that lived during the Pleistoceno Period . Endowed by nature with a unique beauty, it impresses for its geological formation and the amazing blue colored water of the inside lagoon. After, visit to Estância Mimosa. - The itinerary starts in the ranchs main house, where visitors can taste a light homemade snack with typical teas and cookies. The hiking start through the gallery Forest of Mimoso River, passing by nine waterfalls of various sizes and shapes. Along the way, there are seven places suitable for swims under waterfalls or in natural pools, besides small caves, lookouts and a 6-meter high diving board from which you can jump into a natural water hole. It is recommendable to keep your eyes wide open, since there is always a chance of observing wildlife such as macaws, toucans, monkeys, anteaters or any other among the 150 animal species already listed. Century-old trees besides ferns, orchids and bromeliads, complete this astonishing landscape. The tour finish with a regional lunch at the main house Return to hotel in the end of the day.

3rd day - BONITO - RIO DA PRATA ECOLOGICAL REFUGE – The tour start hiking for about 40 minutes on a trail along the river through the forest where we will glimpse birds, wild animals and exuberant vegetation. We are accompanied by experienced guides in groups of at most eight persons. The trail finish around the Olho D´Agua spring water. As we enter the lake formed by the many fresh water springs, we discover a new subaquatic world. There is a curious sensation of flying as we float in this immense of crystal clear waters surrounded by fish and vegetation. After our adventure, we are offered a hearty meal, South Matogrosso style, at the ranch. Return to hotel in the end of the day.

4th day - BONITO - CAMPO GRANDE/ ... – After breakfast transfer to Campo Grande airport.
