Fernando de Noronha 4 nights

Isolated in the middle of the Atlantic Ocean, the Fernando de Noronha archipelago houses extraordinary natural beauties that have been preserved and isolated since its discovery by the Portuguese navigators, in 1503. At the island of Fernando de Noronha solely there are 16 beaches. 16 unique beaches: it is impossible to choose the most beautiful. Amazing clean seas, with a 130 feet/ 40 meter deep visibility, a rich variety of colorful fish, turtles and the rare spinner dolphins. Surely an invitation to free or scuba diving, as long as one does not forget: every predatory activity is forbidden and subject to penalties.

Duration time: 5 day(s), 4 night(s)

Departures on: Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday

Program:

1st Day - .../FERNANDO DE NORONHA – Arrival, reception at the airport, transfer to the lodge. We suggest you to visit, in this afternoon, the sunset at Boldró Belvedere. Suggestion for dinner : Pizzaria Canto da Massa.

2nd Day - FERNANDO DE NORONHA – Breakfast and early departure for th Boat trip through the inside sea going past the Porcos Bay, 2 Brothers Mount, Dolphins Bay with possibility of spotting the spinner dolphins and stop for swimming at Sancho beach. Just beyond Porcos Bay is found Sancho Bay, another notable beach among so many. Surrounded by a natural wall, it may be reached by a ladder fastened to the rock, or by a short trail (a local guide is recommended) or by sea. A beach of unforgettable beauty where one may find the nests of aquatic birds and enjoy excellent dives in the bay. During the boat tour we stop for swimming and diving. Free afternoon. There are many different beaches to be visited. Just few examples :

Praia da Atalaia - Virtually a natural aquarium, diving in its pools is possible at low tide. Extremely shallow (averaging 30 inches), it displays an impressive variety of marine life. Access by a trail beginning at the Vila do Trinta, or by car using the road near the airport. Located within the National Marine Park, the number of visitors is limited to thirty per day.

Conceição - One of the more beautiful and longer beaches on the archipelago, it is the most popular with both islanders and tourists. It is ideal for surfing (between December and February), for skin diving (from March to November), for swimming or merely contemplation. It is worth a visit just to view the sunset. There is a drink stand (BARBARIDADE) that is open daily

Baía dos Porcos - One of the best of Fernando de Noronha, with access from Cacimba do Padre Beach principally at low tide. Consists of marvelous views. Located opposite the Morro dos Dois Irmaos, (two small islands very near the beach), it has natural pools and variegated colored waters. Suggestion for dinner - Creperia

3rd Day – FERNANDO DE NORONHA - Free days for optional activities. We suggest the Island Tour, a full day tour around the Island, visiting the most important and wonderful points and belvederes. Suggestion for dinner : on Wednesday and Saturday, there is a special buffet dinner at Zé Maria Lodge, with brazilian music.

4th Day – FERNANDO DE NORONHA - Free day for optional activities. We suggest a Dive Baptism. The BAPTISM is a introduction to autonomous recreational diving. It begins with theory explanation, the use of dive equipment and ends with a totally supervised and safe dive. We suggest a dinner at Tratoria da Morena.

5th Day – FERNANDO DE NORONHA/... – Breakfast and free morning. On scheduled time, transfer to airport.
